

NCAAHPERD Awards Nomination Form

In order to be considered for an Alliance or Association award, in most cases, a person must be a NCAAHPERD member. For example, principals and superintendents are not required to be NCAAHPERD members but may be nominated to receive an award. To be eligible for competition beyond the state level, award recipients must be members of the national AAHPERD.

If you are interested in nominating a person for an alliance or association award, or if you want to apply for a grant or scholarship, please visit the NCAAHPERD website to review the award criteria and nomination or award application details.

unless otherwise noted in the award criteria.**
